

FSK2019 CERTIFICATE II IN SKILLS FOR WORK AND VOCATIONAL PATHWAYS

NATIONALLY ACCREDITED FOUNDATION SKILLS COURSE
HOLISTIC AND FLEXIBLE WITH FULL TRAINER AND EMPLOYMENT MENTOR SUPPORT

Program Snapshot

The Certificate II in Skills for Work and Vocational Pathways (FSK2019) is a nationally accredited foundation skills course, designed to provide jobseekers with a Work for the Dole alternative that leads to real opportunities and long-term success.

Our immersive accredited foundation skills course supports jobseeker engagement, skills identification and development using interactive technology through the Qualify eLearning platform.

Participants develop core employability, language, literacy and digital technology skills across targeted learning modules addressing:

- Job options and pathways
- Technology for work
- Job search and applications
- Industry connections
- Wellbeing and support networks

**Meets Work
for the Dole
activity
requirements!**

Duration:

Full-time (25 hours
per week) for
6 to 12 months

WorkReady Profile

This program includes the WorkReady Profile - a self-reflection questionnaire designed to identify and support individual job readiness by reviewing the employment foundations of motivation, barriers, and labour market opportunities.
