

**WORKREADY**

# How would reaching their full potential make them feel?

**GOT**  
the  
**JOB**  
feels

Supporting people to reach their full potential, revealing true colours and creating finest hours is at the heart of what we do.

This nationally accredited foundation skills program is designed to support jobseeker engagement, skills identification and development.

Participants develop core employability, language, literacy and digital technology skills using interactive technology through the Qualify eLearning platform.
